Born to Run Bruce Springsteen,2017-09-05 In 2009, Bruce Springsteen and the E Street Band performed at the Super Bowl's half-time show. The experience was so exhilarating that Bruce decided to write about it. That's how this extraordinary autobiography began. Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humour, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as The Big Bang: seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candour, he also tells for the first time the story of the personal struggles that inspired his best work, and shows us why the song Born to Run reveals more than we previously realized.

Hello, Friend!** Cori Doerrfeld,2019-07-02 From the creator of *The Rabbit Listened* comes a gentle story about the difficulty of change . . . and the wonder that new beginnings can bring. Change and transitions are hard, but *Goodbye, Friend! Hello, Friend!* demonstrates how, when one experience ends, it opens the door for another to begin. It follows two best friends as they say goodbye to snowmen, and hello to stomping in puddles. They say goodbye to long walks, butterflies, and the sun...and hello to long evening talks, fireflies, and the stars. But the hardest goodbye of all comes when one of the friends has to move away. Feeling alone isn't easy, and sometimes new beginnings take time. But even the hardest days come to an end, and you never know what tomorrow will bring.
